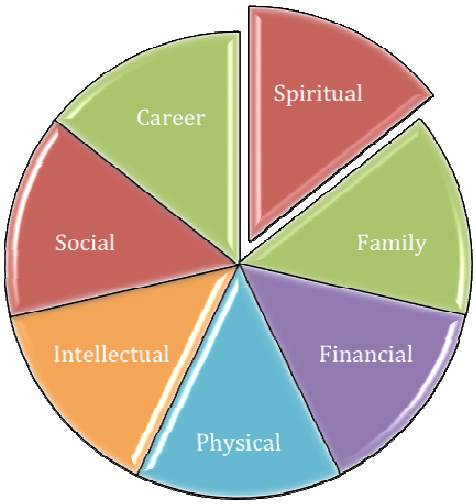
Where Am I Today?

Rate yourself in each of the following life areas. Where do you find yourself today? On a scale of 1 to 10 with 10 being the most satisfied, write the number inside each area.

After you've done this, rate yourself in each of these areas in the future. Where would you like to be at the end of this year? What's your dream improvement mark? Write that rating outside each area.



Although there are several areas, there are some you may want to work on or place more emphasis on improving. List the areas of your life that you want to focus your attention on this year. You don't need to list all, focus on what needs priority and that the Lord is leading you to take action on.
